

Acceptable Subjects for Science Letters

Anatomy	Earth Sciences	Molecular Genetics
Astrophysics	Environmental Health Science	Neurobiology
Bacteriology	Epidemiology	Neurology
Biochemistry	Evolutionary Biology	Neuroscience
Bioinformatics	Genetics	Organic Chemistry
Biological Anthropology	Geophysics	Parasitology
Biological Chemistry	Histology	Pathology
Biology, General	Kinesiology	Pharmaceuticals
Biophysics	Limnology	Physics, General
Cell Biology	Marine Biology	Psychobiology
Chemical Engineering	Medical	Physiology
Chemistry	Microbiology	Zoology
Developmental Biology	Molecular Biology
