

Title: COMP/COMP-Northwest Student Participation in Research

Effective Date: April 4, 2019

Applies to: College/Department Specific: College of Osteopathic Medicine of the Pacific (COMP) and College of Osteopathic Medicine of the Pacific-Northwest (COMP-Northwest)

Statement: COMP/COMP-Northwest (the College) endeavors to encourage and support student participation in research and scholarly activity such that every student has an opportunity to participate in a project during their course of study. All students receive training in research methodology through the curriculum.

Purpose: Ensure that students are prepared for entry into Graduate Medical Education, by having the opportunity to participate in research and/or scholarly activity and having been educated in basic research methodology.
